

Lord we come to seek Your face
A people called by Your name
With humble hearts we turn to You
Lead us on the Spirit's breath

Open wide the heavens Lord
How we need Your touch again
Hear our prayer and heal our land
Draw this nation back to You

Oh Jesus, oh Jesus
Pour out Your Spirit on this land (x2)

You're our Saviour, Healer
Our defender
Reconciler
Glorious Victor

Life Restorer
Strong Deliverer
Promise Keeper
Nation changer
