

See Him high upon the cross,
Displayed for all to see,
My Redeemer suffered and died
His blood availed for me

Buried in the tomb He lay
All hope, it seemed to fade
But then upon that glorious day
He rose up from the grave

He lives! He lives!
I know that my Redeemer lives (x4)
Today

Now You are exalted above
Enthroned upon our praise
The triumph of the cross will resound
Through heaven's endless days

Beautiful Jesus (x4)
Glorious Jesus (x4)
