

The wonder of the cross  
Our Saviour crucified  
His mercy reaching out to us,  
Redeeming sacrifice  
Who can comprehend  
The burden that He bore?  
Carrying our sin and shame  
To bring us near to God

So we will sing  
Worthy, worthy  
Worthy is the Lamb

The triumph of the cross  
Death has lost its sting  
Swallowed up in victory  
That we might live in Him  
Seated now with Christ  
At the Father's side  
Out of darkness, one with Him  
Raised to glorious life
