

There is a sweet sound  
The sweetest name I know  
Jesus my Redeemer  
Where streams of mercy flow  
You wash the guilty stain away  
Pardon my sin with saving grace  
And so I will sing, let praise begin  
To the sweetest name I know  
And so I will sing, let praises ring  
To the sweetest name I know

How sweet is the name of the Lord  
How sweet is the name of the Lord  
How sweet is the name of the Lord  
How sweet is the name of the Lord
