

**We draw near with confidence into  
the Holy place**

Opened by a new and living way  
Knowing we are righteous by Your  
blood

We draw near to Your throne of grace  
and majesty  
Where I receive Your mercy to be free  
And grace to help in every time of  
need

Jesus I must sing  
Of Your unfailing love  
Who is like our God in all the earth  
Messiah, Son of Man  
Heavens Champion  
Risen from the dead You reign on high

We hold fast to the hope that You have  
placed within our hearts  
Standing on the promises of God  
Knowing You are faithful to Your word

Bridge

Nothing can separate us from Your  
love (x4)

Jesus I must sing  
Of Your unfailing love  
Who is like our God in all the earth  
Messiah, Son of Man  
Heavens Champion  
Risen from the dead You reign on high
